

A woman with blonde hair pulled back, wearing a black, high-necked, sleeveless dress with ruffles and a large bow at the waist. She is holding two large, red, cone-shaped objects. The background is a dark grey gradient. The overall aesthetic is dramatic and high-fashion.

### THE POINT AT EMERALD CITY

The Point is the newest phase in Emerald City, our vibrant, established community at Don Mills & Sheppard. Rising from landscaped grounds, and adjacent to the Parkway Forest Park, The Point defines elegant, beautiful living, offering spacious thoughtfully considered suite designs. Be close to many comforts of modern life, and have easy access to everything Toronto has to offer.

## NORTH YORK'S MOST SUCCESSFUL MASTER-PLANNED COMMUNITY

### THE INTERSECTION OF DESIRE & DESIGN. THIS IS THE POINT.

Master-planned, Emerald City was envisioned and established as modern, sustainable, forward-looking, and connected. When you call The Point your home, you also become a member of a proud and active community. From the inviting courtyard to sculpted, sustainable landscaping, every detail was considered to make you feel welcome. Stroll to shop, to visit a friend, or to nowhere in particular. Or simply stretch out by the pool with a favourite book.

### THE ART OF COMMUNITY CREATION

A colourful installation by Douglas Coupland joyfully complements an urban landscape accented with native plantings. From the pedestrian plaza at the southeast corner of Don Mills Road and Sheppard Avenue, walkways guide you to the new Parkway Forest Community Centre, Aquatic facility, and the abundant, adjacent parklands.

## YOUR NEIGHBOURHOOD

The quality of life depends so much on where you live. Consider the unforgettable moments, where your life really happens. Places like work, school, where you meet friends to shop or play. Emerald City's prime location offers the best of all worlds: close to exceptional shopping places, restaurants, movie theatres, and a local community centre. Plus, you'll overlook Parkway Forest Park and have access to sublime green spaces like Betty Sutherland Park and the East Don Parklands that connect you to sheltered bike & jogging trails that can take you right downtown through the Don Valley. More good news: the Fairview Mall community is one of the prime areas for condominium price growth in Toronto.\*
