# INTRODUCING 24-7 QUEEN ST. LIVING

Explore the bustling area of Queen St. West and you'll quickly see why Vogue declared it one of the world's coolest neighbourhoods.

Artsy hotels, trendy boutiques, renowned restaurants, and all-hours entertainment dot the glorious streetscape where hipsters, globetrotters, and discerning shoppers flock.

With homebuyers around the world clamoring to live in this booming area, 57 Brock provides a rare opportunity to live luxuriously in the centre of the action.

**57** FIFTY SEVEN BROCK

Start your day with a jolt of java from any of the numerous premium cafés around Parkdale. Featuring décor as tasteful as their coffee, these cafés are great places to meet up with friends, get work done, or grab and go.

# WALL

If you're a fan of bright, spirited murals, this will be right up your alley. Rush Lane, also known as Graffiti Alley, is a one-kilometre stretch of street art by an unknown number of artists, running south of Queen Street West from Spadina Avenue to Portland Street.

Popularized as the locale of Rick Mercer's monologues, Graffiti Alley has become a destination for Torontonians and tourists alike. A medley of pop culture references, portraits, tags, cartoon creatures, and quotes, it is considered a must-see when in the area.

# THE BROCK LIFE

DISCOVER A COMMUNITY WHERE  
YOUR LIFESTYLE FUSES EFFORTLESSLY  
WITH YOUR SURROUNDINGS

Behind the robust 7-storey brownstone brick and steel façade of 57 Brock, interiors steeped in sleek modernity welcome you home. Communal spaces offer an aspirational ambiance, while spacious suites are harmoniously composed to create a brilliant backdrop for hosting loved ones and making the most of your everyday. A portion of the site is designated as a public park, allowing residents and neighbours to mingle among fresh foliage.

Block Developments handpicked world-class architects and designers to articulate a vision of modern elegance. Thoughtfully crafted using environmentally responsible methods, the building features striking natural motifs such as brick, wood, and greenery inside and out. Combining the innovative functionality of contemporary design with traditional artisanal qualities, 57 Brock is your chance to live in a community as beautiful as the lifestyle you'll enjoy.

# ARRIVE

AT THE INTERSECTION OF  
BRILLIANT DESIGN  
AND INNOVATIVE COMFORT

The design of 57 Brock is informed by its surroundings, with a brick façade that fits in with neighbouring homes and an adjacent park that brings the community together. When you step foot inside, you are immediately greeted by a lobby gallery featuring commissioned artworks and a stunning sculptural reception desk.

Common areas are designed with warm hues, glimmering porcelain slabs, and painted brick, and decorated with felt upholstery, cognac leathers, and textured linen draperies.

Explore the well-appointed catering kitchen and dining room, state-of-the-art fitness facility, and a convenient pet spa. Generous tiered outdoor amenity areas provide residents with space for barbecuing, dining, sunbathing, and lounging around the fire pit or in the shade of beautiful trees.

## TOMAS PEARCE

Tomas Pearce Interior Design Consulting Inc. is based in downtown Toronto, Canada. Led by Principal Partners Melandro Quilatan and Tania Richardson, the team at Tomas Pearce is a collaboration of talented, energetic and experienced company of Interior Designers, Project Managers, Project Coordinators, Architectural Technologists, Stylists and Procurement Agents.

The firm offers a complete range of commercial and residential interior design services, space planning, project management and interior styling to a multi-national client base. The firm's list of luxury residences is expansive and includes homes in many of Toronto's desired communities and upscale condominium developments. The firm also undertakes bespoke private vacation homes, winter chalets, summer homes, hotels and exclusive ranches. Commercially, Tomas Pearce has been commissioned by Toronto's industry-leading developers and builders to design their high-end sales offices, model suites, common amenities and corporate executive headquarters. Their conglomerate list of private clients encompasses projects worldwide.

The Tomas Pearce style is international, motivated by a love of good design, both modern and traditional. Opulence; simplicity; calm elegance; timeless aesthetics are integral to the vocabulary of their creations. Whether it's high formal tradition, classic contemporary or clean modern aesthetic, central to the Tomas Pearce design directive is the belief to marry their strong design philosophies with that of their clients' own style wishes. Each time, polished elegance is the Tomas Pearce signature.

RAW speaks to our use of design; we do not aim for the sophisticated or polished but rather the simple and straightforward. RAW speaks to our practice; non-hierarchical, plain to see, a collaborative venture not mediated by bureaucratic controls, all staff are seated at the same desks regardless of experience or status and there are no walls. RAW speaks to our intention to use basic materials and present them simply and directly.

Launched in the autumn of 2007, RAW is one of Toronto's newest and most vibrant Architectural studios. Roland established RAW to realize the full potential of his design vision and to create a working culture matching his professional goals. RAW takes a completely open-minded approach to architecture, encouraging a fluid and collaborative design process. RAW has developed a reputation for fresh ideas and clear thinking, bringing together over 30 years of professional experience designing and building award-winning projects.

RAW has carved out a niche in mid-rise, infill developments in and around the GTA.

RAW is an architecture workshop committed to design excellence. Our workshop insists on the importance of the urban and the social in our everyday life. Correctly designed, our environment can assist us to live, work and play together.

Please see provisions in Schedule "A" relating to the Purchaser's rights to select finishes and Vendor's rights to install substitute materials and finishes.

The Vendor reserves the right to substitute any materials used in construction of the Unit provided that such substitute materials are of equal or better quality than those represented to the Purchaser. The Vendor further reserves the right to make minor changes or modifications in the plans and specifications at its discretion. The determination of whether or not same are minor shall be made by the Vendor's Architect.

Vendor is not responsible for shade differences occurring from different dye lots or for variations including in colour, shade, texture and veining in materials including with respect to tile, carpets, hardwood or laminate flooring, cabinetry, natural or manufactured stone, bricks, trim and doors. Samples viewed when choices are made from Vendor's samples are only a general indication of material selected. Details of windows and doors on all elevations and location of exterior lights may not be exactly as shown on renderings.

Finished floor height and built-in noise attenuation measures may cause ceiling heights to vary in some areas. Drop ceilings and bulkheads will occur to accommodate HVAC and structural requirements.
