# Extraordinary Retail

The design of The Well incorporates numerous unique features. These include significant publicly accessible areas and the creation of three new north-south pedestrian streets that intersect with the spine of the project – an inspiring glass canopied east-west pedestrian area that will connect all buildings within the development.

Total Retail: 500,000 Sq.Ft.

# The Work Spaces

The offices at The Well will offer sophisticated workplace solutions, with over 1.1 million square feet of flexible space available for lease in one of the most inspiring professional hubs in Toronto. Targeting a LEED® Platinum certification, the offices at The Well can accommodate 6,000 workers with their evolving needs.
