Why The Well?

First of its kind in Canada, The Well is a bold reflection of Toronto's energy and diversity, and an extension of the urban vibrancy of King West. It includes 3.1 million square feet of retail, office, and residential space spread over 7.8 acres. It's a feast for the senses at a global-meets-local, market-inspired food hall.

A place to uncover new experiences, explore novel retail concepts, and make new social connections through art, culture, entertainment and events. A place where a vibrant community thrives at the centre of it all. Through this sense of experiential energy, the spirit of Toronto comes alive.

- 420,000 square feet of retail, food and service space
- 20-foot ceilings on retail levels
- 1.1 million square feet of office space
- 1,700 residential units
- 11,000 active workers and residents
- 40- to 65-foot-wide street-style corridors and walkways
- 35,000-square-foot glass canopy atop walkways to facilitate year-round shopping

The Well's Offerings

Eat

Inspired by a mix of European food halls, fast casual eats, market fresh foods and world-class restaurants. The Well integrates culinary artists, creators and local farmers, perfectly balancing the celebration of homegrown local craft, convenient favourites and internationally inspired experiences.

Shop

Reimagined retail concepts are created for those who seek out the extraordinary, with every purchase being accompanied by an experience that generates a story to share. Get inspired by retail favourites, visionary flagships, fashion trailblazers and culturally relevant pop-ups.

Work

Bright, open-concept, sustainable workspaces support the next generation of professional services. The Well's workplace is the ideal setting for tech, media, creative, and digital innovators to ignite ideas and push the limits.

Live

Green spaces, an open-air promenade and convenient pedestrian-first living come together in inspirational, centrally located residences. The Well offers an extension of the King Street West lifestyle while creating connection and building a sense of community.

Play

Vibrant community spaces host a diverse collection of curated events and programming designed to spark discovery and curiosity. Retail and food service offerings are elevated into immersive experiences that weave opportunities for entertainment throughout.

Fresh Market Fare and Prepared Food

An evolved food market with cheese boutiques, butchers and fishmongers, offering a wide selection of fresh, high-quality local fare that encourages exploration and culinary creativity.

Elevated Fast Casual

An eclectic mix of quick-service options come together to offer an innovative experience with a wide selection of convenient choices for time-pressed people who will return again and again.

Inspired Restaurants

Chefs of local and international renown serving up global flavours, local craft foods and artisanal fare with a contemporary flair will extend the offering with special events celebrating the people behind the food.

The Well's 90,000-square-foot evolved food market is a unique culinary world brimming with fresh offerings, prepared food, and elevated fast casual options.
