## Enjoy incredible amenities and recreation at South District.

Located at Yonge St. and Big Bay Point Rd., South District Condominiums connects you to Barrie's most complete urban lifestyle. A new urban marketplace complete with shopping and restaurants is right across the street. Barrie South GO Station and Hwy. 400 are minutes away. Even more excellent shopping and dining can be found all along Big Bay Point Rd. You can be on a Lake Simcoe beach in less than five minutes. Tee off at local golf courses all summer long, and ski all winter with Snow Valley and Mount St. Louis Moonstone both close by. There really is no more connected place to call home in Barrie. Now, just wait until you see the suites!
